

Walk with us and join those who have survived cancer, remember those we lost to cancer, support those undergoing treatment!

The Department of Children and Families, formerly The Department of Social Services, Lawrence Area Office will hold their sixth annual walk "Let's March Against Cancer" on Sunday, September 20, 2009. This Walk, was organized in 2004 to show support for our two colleagues, Jamie and Ceylin, who were diagnosed with cancer. Since the organization of the first walk, other colleagues have been diagnosed with cancer and have successfully completed, or continue to undergo, intensive treatment. Sadly, we have lost our friends Jamie, Pam and Ceylin. The courage, strength, and memories of all those who have been diagnosed with cancer are our inspiration and have deepened our determination to make "Let's March Against Cancer Walk" a success every year.

Our Walk is special and different from other cancer walks. The American Cancer Society and an individual in our communities whose life has been changed by cancer will each receive half of the proceeds. Past communities recipients have been:

2006 Jason R,

2007 Caroline H,

2008 Pedro M,

This year's recipient is, Arianna Fernandez, an infant from Lawrence. Arianna is receiving ongoing cancer treatment.

Following the walk there will be food, raffles and entertainment by "5 O'clock Somewhere" band from Salisbury, MA and a special performance by Chris Richard from Newburyport, MA.

The American Cancer Society is a nationwide community-based health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives and diminishing suffering from cancer through research, education, advocacy and service. For information: 1-800-ACS-2345
